

BIO CLEAN

All-Purpose Enzyme Surface Cleaner

Product Description:

BIO CLEAN is a superior multi-purpose cleaning solution, specifically designed to meet the rigorous cleaning demands of restaurant and kitchen environments. Beyond deep cleaning and effective disinfection, BIO CLEAN powerfully eliminates stubborn odors, delivering a fresh and hygienic workspace. Additionally, this product helps repel harmful insects, ensuring a clean, safe, and airy environment throughout the year. BIO CLEAN is a comprehensive and reliable cleaning solution for all food service operations.

Versatile Applications:

BIO CLEAN offers flexible applications across various areas, proving particularly effective in environments requiring high hygiene standards:

- Restaurants and Kitchens: Cleans and disinfects dining tables, countertops, and cooking equipment, guaranteeing absolute food safety.
- Industrial cleaning: Removes grease, grime, and burnt-on residue from cooking appliances, floors, and kitchen walls, maintaining a clean and efficient workspace.
- Comprehensive Disinfection: Effectively kills bacteria and viruses on floors, walls, windows, and sinks, preventing cross-contamination.
- Insect Repellent: Prevents the infestation of cockroaches, flies, and mosquitoes, protecting the workspace from contamination.
- Other Areas: Offices, restrooms, hotel lobbies, ensuring a clean and professional environment.

Ingredients:

Water, Linear Alkylbenzene Sulfonate, Sodium Lauryl Ether Sulphate, Cocamidopropyl Betaine, Isopropyl Alcohol, Coconut Diethanolamide, Glycerine, Sodium hydroxide, Triethanolamine, FD&C No 1, C.I. 42090, Amylase, 5-chloro-2-methyl-4-thiazoline-3 ketone, 2- methyl-4-thiazoline-3-ketone.

Directions for Use:

BIO CLEAN can be diluted at various ratios to suit specific cleaning needs:

- Dilution 1:400 (50 ml BIO CLEAN + 20 liters of water): For cleaning glass, dining tables, and lightly soiled surfaces.
- Dilution 1:200 (50 ml BIO CLEAN + 10 liters of water): For degreasing, floor cleaning, toilet sanitation, cleaning tools and equipment, light disinfection, and insect repellent.
- Dilution 1:20 (50 ml BIO CLEAN + 1 liter of water): For soaking cleaning cloths and tackling stubborn stains.

Safety Precautions:

- Keep out of reach of children.
- If swallowed, seek immediate medical attention at the nearest medical center.
- If contact with eyes occurs, rinse thoroughly with clean water.

Storage:

- Store in a cool, dry place, away from direct sunlight.
